Safety

MISHAP REPORTING AND INVESTIGATION

CAPR 62-2. 8 November 2002, is supplemented as follows:

4.e. Report mishaps using the contact information in attachment 1. Units will add unit-specific information and post in unit aircraft, vehicles, and activity areas. The wing Director of Safety will record all CAPF 78 mishaps and track suspenses. If a CAPF 79 investigation is required, the Director of Safety will notify the wing commander, request appointment of an investigating officer/board, and track the investigation suspense.

5.a. (Added) Fax and phone numbers for agencies not normally listed are at the bottom of attachment 1.

6.b(3). Completed reports should reach the wing commander within 25 days of the mishap. The wing commander will forward the report to the Southwest Region commander within 30 days of the mishap.

Attachment 1. (Added) Use TXWGF 78a to log incidents that do not require a CAPF 78. Report these incidents on the monthly activity report.
